O LORD, our Lord, how majestic is your name in all the earth!

You have set your glory above the heavens. From the lips of children and infants you have ordained praise because of your enemies, to silence the foe and the avenger. – Psalm 8:1-2

As the newest member of the team, having just arrived in January, I want to share some news about Lily and my experiences since my arrival. First and foremost, join me in a shout of praise for the Lord, Jesus. He has ordained praise from these children, and our enemy, the Devil, is being silenced in all his attempts. It brings me such joy to see the fruits of this ministry in the lives of the kids. They know what it means to trust in the Lord and certainly know how to sing his praises.

I have committed to staying with Lily for a year to focus primarily on children with disabilities and have been working a great deal with Ramón. He is enrolled in a therapy program in Chihuahua, which we attend several times a week, and also spends an hour or two doing therapy with me at home each day. Although the main focus is to help him be more and more independent, his dream is to walk and play soccer. In time, I will also work with Gustavo. All three boys in the house I love dearly and pray God will help me serve them well.

Since my arrival, Ramón has learned how to wash and fold his own clothes, and little by little, he is gaining strength and function in his arms and legs. Please, pray for me and for God to bring healing and growth to the boys. Also, pray that God would call someone to continue the work when I leave.

How can you support us?
