November is the month where the United States celebrates the sacrifice that our forefathers, the Pilgrims, made in journeying to a new land in search for religious freedom. The miracle that God did in preserving their lives and establishing their new home led them to an established day each year giving thanks to God.

Rosa and I traveled to a new land of Mexico in order to help destitute children. We want to give thanks to God for choosing us to be His extended hand. We too want to thank God for all of you for you are also God's extended to these children.

We want to introduce to you two of our newest daughters, Wendy and Sandra. Wendy is 10 years old and Sandra is 6 years old. They have gone from orphanage to orphanage because of their severe anger towards an uncle who sexually abused them. Wendy is learning of the forgiveness and healing power of Jesus. Rosa ministered to both of them to forgive their uncle and both of them forgave him to the point where Wendy felt the love and release of all that anger and bitterness, but Sandra is a very aggressive and angry little girl.

She is at the point of being expelled from school because of hitting students and slapping and kicking the teacher. We took her in to live in our house which she likes very much, but we also have Ramon with cerebral palsy and Cachito who is autistic living with us. We are considering taking her out of school and home schooling her. We truly need your prayers. Sandra needs a miracle of emotional healing. We know Jesus is able to do this and far more. Please pray for us and for

Sandra. The stress of having three children living with us is great.

Once again we thank you for all your help. Please pray for us for more staff and the finances to be able to pay them. Pray how you can be of more help. The needs are great. The lack of finances and the lack of staff have brought us to the point where we cannot afford to continue taking children in. Our finances have suffered very much.

Jesus said in Matthew 25 “As you have done it onto the least of these you have done it unto me”.

Thank you again for your help and have a blessed Thanksgiving.

Ed and Rosa Salo
