

### June's Newsletter

Listen to a most unusual miracle story. When we arrived at our home in Guachochi this past week we were greeted with hugs by two smiling, good looking children, Cielo, 9 years old, and her brother, Ulysses, 7 years old. They arrived at our home two weeks ago, dirty, hungry and depressed. They were abandoned by their parents and were roaming the streets of Guachochi seeking for food. They were starting to experiment with drugs offered by some of Guachochi's street kids. But the uniqueness of all this is that another young man who is a drug addict himself felt compassion on them and refused to see Cielo and Ulysses end up in the same condition that he was in.

This young man, Irving, lived with us with his brother, Danny. His brother, Danny, gave his life to Jesus, but unfortunately his brother, Irving, did not. Danny is now a college graduate and is serving The Lord as the worship leader of his church in Guachochi.

On the other hand, Irving has been battling with drugs for many years.

#### Praises

*We have been praying for rain. Our well is drying up. Yesterday and today we got lost of rain.*

Seeing these two children, Cielo and Ulysses, Irving was convicted by The Holy Spirit that although he is still battling with drugs it was totally wrong to mislead these children into the life of drugs. "I am taking these children to Lily" he said to himself." They need a safe and loving home." We are rejoicing to see the changes in the lives of Cielo and Ulysses".

Please pray for these two children and for Irving that he can finally have the victory over drugs. As we were about to leave Guachochi's home Irving was bringing another child! To our amazement God uses even addicts to rescue abandoned street children that are already on the verge of becoming addicts themselves.

God is using Irving, a drug addict, to evangelize and rescue the street children of Guachochi.

#### Prayer Requests

*Pray for Irving to be set free of drug addiction and to allow God to use his life in rescuing street children.*

*Also summers are very difficult times for us as donations go down drastically.*
