

June Newsletter

We want to share with you about two of our most recently-arrived children, Daniela (12 years old) and her brother, Irving (7 years old).

Daniela and her brother, Irving, have been removed from their home three times by Child Protective Services. Both parents are very violent and harshly and irrationally punish their children.

Daniela and Irving would go to school without breakfast and beaten up. Last week Child Protective Services had to go into their home after neighbors called the police because of the brutality of the father. The father was under the influence of alcohol which aggravated his brutality.

Praises

We praise the Lord for wath God just did this past Saturday.

During devotions this past Saturday morning Mama Rosa ministered to the children on allowing God to take them to the youngest age that they can possibly remember; to allow God to show them everything that has caused deep hurt in their early lives and is paralyzing them from advancing in school or even in having a dream for their lives. All of a sudden the Holy Spirit fell and there was weeping everywhere. Children and adults were all under the power of the Holy Spirit. Daniela came to Mama Rosa weeping uncontrollably, forgiving her parents that for years had abused her and her brothers and sisters.

(Because of the parents lack of love and physical abuse her youngest sisters were all separated from Daniela and Irving. The youngest sisters were placed in the State Orphanage and Daniela and Irving were brought to our home). It was wonderful to see how hearts were healed by the power of the Holy Spirit during the Saturday devotions. It was especially thrilling to see the beautiful new smile on the face of Daniela.

Now let's bring this message home. All of us have deep-rooted hurts that don't allow us to have the abundant life that Jesus promises. Only God can heal the deepest hurts, depression, fears, insecurities and fears of the unknown.

Prayer Requests

Please pray for rain. The temperatura today will climb up to 112 degrees and it is note even summer.

If we allow the Holy Spirit to take us back as far as we can remember of our childhood, everything that so deeply hurt us, we would be surprised that God can break the chains of our deadly emotions and set us free. Some of us are sick physically and cannot receive our healing because we must first be healed emotionally. There is something in our childhood that is holding us back from receiving our healing. Rosa just experienced a wonderful emotional healing of her childhood.

The Spirit of the Sovereign Lord is on me, because the Lord has anointed me to proclaim good news to the poor. He has sent me to bind up the brokenhearted, to proclaim freedom for the captives and release from darkness for the prisoners.
Isaiah 61:1

It is our prayer that you allow the Holy Spirit to show you areas in your lives that need to be healed. Just as Mama Rosa, Daniela and lots of other children forgave and received their healing, we want you also to forgive and allow God to heal your wounds. Receive just like a child who believes without questioning.
Receive your healing today!!!

Thank you for your continued support and generosity. You are all in our prayers daily.
With love
Ed and Rosa Salo
