A farmer and an oncologist (cancer specialist) have one very important thing in common; they both want to get beneath the surface. The farmer digs down in the soil in order to plant his seed. The oncologist does deep surgery in order to remove a tumor. Jesus is like both of these. He digs beneath the surface personality into a person's heart in order to pull out the cancerous tumor of sin, bitterness, and pain, and to plant the beautiful seed of His healing and love.

The Lord has been doing a lot of excellent digging and surgery with our new girl, Diana. Diana is a quiet, shy, pretty Indian girl. She was abandoned by her father at an early age. Her mother then left her in an orphanage in the mountains of Chihuahua and journeyed to the city of Chihuahua. She had virtually no contact with Diana for years.

Recently, she brought Diana to Chihuahua and placed her in our home. Two very painful things surfaced during the intake interview. One, Diana had failed a year in school due to her mother's neglect. Secondly, the mother knew so little about Diana that she couldn't answer any of the questions of the interview. ¡Oh, all the pain this girl must have suffered!

Praise Report

We have received a few musical instruments and music teachers are coming to teach our young people how to play

But Jesus, the great spiritual cancer specialist, has extracted the "tumor" of bitterness from Diana. She has forgiven her mother and her relationship with her mother is improving. Diana has expressed her desire to lead the mother to the Lord.

Also, Jesus has planted the seed of love, talent, and potential in Diana. She is learning the guitar and she is greatly improving her school grades. She delights Rosa and I every morning by coming to give us a hug before entering the school bus.

I sense a great potential in this quiet girl. I want to help Jesus with Diana, don't you?

Prayer Requests

As you might know Rosa was hospitalized for heart arritmía. She was sent to bed for two months' rest. Please pray for her healing.

Thank you for your generous offerings. They are a sweet fragrance to the Lord.

With love
Ed and Rosa Salo
