

I just cannot wrap my mind around the fact of what a mother could do to her ten-year-old daughter like “Angela’s” mother did to her. “Angela” is not her real name. We are not using her real name nor posting pictures to protect her identity. She came to us several months ago. She was put under our care by her aunt who was at a loss of what to do.

Angela’s mother sold her as a prostitute from the age of ten. This lewd activity went on for a couple of years. No precious little girl ever deserves this! Her mother would receive her coldly and emotionless, like receiving a package from a mailman.

Praises

The Lord opened the door for us to teach values in Aldama City’s High School.

Angela’s mother died shortly after her twelfth birthday. Her father, an army soldier, also abandoned her. Therefore, she was left to the care of her aunt.

Shortly thereafter, the aunt came to us for help. Due to the severity of Angela’s emotional trauma, we had to seek professional help. She is now undergoing psychiatric treatment while living with us.

Even if my father and mother abandon me, the LORD will hold me close. Psalms 27:10 NLT

Although it is a slow process, considering her deep emotional wounds, Angela is definitely improving.

Prayer Requests

Pray for a lot of wisdom because the young people at the HS are very undisciplined.

Pray for “Angela’s” total emotional healing.

We enrolled her in a dance class which has helped her self-esteem tremendously. She is also taking piano and voice lessons. She is learning how to knit and crochet too. She has many hidden talents which are now emerging because of the love of God.

We embrace our children twice a day in what we call our Hug Line. It is so beautiful to see her responding to pure love and hugs from a man – Papa Ed, that would not harm her at all. At times, Angela comes twice through the hug line.

Part of us wants to turn our back and pretend that such evil as Angela experienced does not exist.

However, JESUS did not turn his back but rather gave His life to rescue us from such evil.

Can you continue to help us as we help Jesus rescue and heal the “Angelas” of this world?!

Thank you for your love, prayers, and financial help!

With love,
Ed and Rosa Salo
