

How would you feel to find that one of your brothers sexually abused two of your youngest daughters (both toddlers)?! Then, you reported him to the police and your entire family turned against you.

Marcela felt totally devastated. She felt that her life was over when her family and friends turned against her. She and her children were forced to leave their home and town and seek refuge in Chihuahua. Marcela was emotionally distressed and severely depressed. She did not know anybody who would help her. The Jehovah Witness faith in which she was raised proved to be totally useless.

She planned to take her life and the lives of her children through asphyxiation by gas. At this time, the Lord miraculously intervened through a young couple who helped her place her children in a catholic orphanage.

Praises

The Toy Library was built. You can click [here](#) to see pictures (scroll down about halfway) or simply visit our [FB page](#).

A few days later, Josue, her only boy, ran away from the orphanage. When they returned Josue to the orphanage, they refused to receive him again.

Therefore, Marcela found out about us and asked us if we will take him in.

Josue is under neurological medication but his life has been totally changed by the love shown to him from all of us. Marcela is seeking psychological help and has noticed the change in Josue's life that now she wants to bring all her girls to Lily.

Prayer Requests

Please continue to pray for Mama Rosa's health.

When Josue found out that we are Christians, he immediately mentioned to Mama Rosa that he was a Witness. She just loved on him. Two weeks later, Mama Rosa saw Josue reading a children's Bible. But now, he and his mother, Marcela, are noticing the difference in us.

Josue has become a tender, loving boy who is hungering for that father's love.

Josue is the Spanish name for Joshua and it was Joshua that took the Israelites into the Promised Land.

*He brought me up also out of a
horrible pit, out of the miry clay, and
set my feet upon a rock and
established my goings. Psalm 40:2*

We believe that God brought Josue into our home to bring his entire family into the Promised Land.

Thank you for all your prayers and financial support.

With love,
Ed and Rosa Salo
