September's Newsletter

One month ago we experienced two incredible miracles for which we give God all the glory. Lizath, one of our daughters, 15 years old, and Ramon, a 25-year-old man, who was raised by us, but now is married and living in Guachochi; both experienced a divine rescue from the jaws of death. Psalm 107:18 describes so well what happened: "They.....drew near the gates of death. Then they cried to The LORD in their trouble and He saved them from their distress. He sends out His Word and healed them; He rescued them from the grave."

Lizath had been complaining of abdominal pain. Uncle Andres and his wife, Aunt Hilda, took her 5 times to various hospitals and clinics. They ran all sorts of tests. Unfortunately, the doctors misdiagnosed the problem, saying that it was either gastritis or an ulcer. We kept giving her the medications prescribed. One morning she passed out. Her vital signs were very poor. She was taken to another hospital in the city of Chihuahua and was taken directly into the operating room for emergency surgery. In surgery they found a massive infection. One of her ovaries was removed. In the second surgery the doctors planned to remove the uterus.

Praises

El Mimbres got reopened for adolescent boys. God send a beautiful couple from Tijuana, B.C.

We prayed and the miracle was that the uterus was protected by a net that God Himself placed there. The doctors were in total shock. We know that God is an awesome God who still performs miracles today. Lizath is now out of the hospital and is in perfect health. She is now sharing her testimony in church.

At the same time that Lizath was in the hospital Ramon was admitted into intensive care due to a wicked man plunging a knife several times into his abdomen. He lost 3 pints of blood and the doctors said "we don't think he is going to make it." When I (Ed) went to see Ramon in Parral General Hospital I could barely recognize him; his whole body was swollen and there were tubes all over his mouth. We prayed the sinner's prayer and the prayer for healing. One week later he was out of the hospital. Two weeks after coming out of the hospital, he and his wife, Adela, were blessed with a beautiful baby girl, Samantha.

Prayer Requests

Please pray for Lizath to excel in her studies and to eventually enter media school. Lizath's dreams are to become a doctor and help others as she was helped.

*They loathed all food
and drew near the gates of death.
Psalm 107:18*

Here is a picture of both them going to church. It is our prayer that as you read this Newsletter if you have a sick family member or a loved one that you would pray in faith believing that God is still in the healing business. THERE IS NOTHING, ABSOLUTELY, NOTHING, IMPOSSIBLE FOR HIM.

We are so grateful for your prayers and your continued financial support. We and our children pray for all of you on a daily basis.

May The Lord bless your lives in a far greater dimension.

With love
Ed and Rosa
