Instruments of the Lord!

"Truly I tell you, anyone who will not receive the kingdom of God like a little child will never enter it." Mark 10:18 Jesus works through children everyday. they are open to His greatness and miracles like no one else because of their pure, childlike hearts. We praise God for these hearts at Lily!

Today, there are many people who question, "Does God continue to do miracles?" We can answer this question by reading the Bible. Look at the story of one child with five loaves and two fishes. Jesus used this small boy's lunch to feed over 5000 people. The question is not whether God is in the miracle business. The real question is, "Are we willing to be the instrument God can use to perform a miracle?"

This Christmas our children decided to be the instrument of God. They willingly gave shoes and a special dinner to a neighboring orphanage. Our children received two miracles that day. One was the smile of a child receiving a gift. The other was far more than any child could've imagined. The governor's office donated food to our children from a special event they had. The children ate like royalty that evening. The children experienced this miracle because they were willing to give to others. It was a decision on their part that lead to an action.

God is asking you today, "Do you want a miracle?" If your answer is, "Yes!" then BE the instrument God can use to perform a miracle. IF YOU DECIDE TO LISTEN, YOUR LIFE MAY BE DIFFERENT.
