## Miracles are Continuing to Move Everyone at Lirio

After being rushed to the hospital, many minutes without oxygen, none of the doctors thought he would fully recover. 125 children had a different idea.

The power of prayer is never underestimated here at Lirio, everyday we are reminded of how God not only answers our prayers but blesses those who trust only in Him and His great power. This month we thank God a million times over for the gift of life that he gave our Eliseo.

This past month, while eating lunch, Eliseo began choking on a piece of his food. At the same time he convulsed, causing the food to become severely lodged in his wind pipe. After many attempts at the Heimlich, rescue breathing and CPR Papá Ed and Javier rushed him to the hospital. At the local hospital in Aldama the food was removed, oxygen

was pumped into his body and he began breathing on his own. No one knows exactly how long Eliseo was deprived of oxygen. One of the adults who was visiting the orphanage and who was administering the first aid later said that he felt Eliseo had died before they arrived at the hospital.

He was rushed in an ambulance from Aldama to the Chihuahua General Hospital, where he was in the emergency room for several hours in a state between consciousness and coma. The nurse told Papá Ed and Mamá Rosa that he was in very serious condition and in danger of slipping into a coma.

While this was happening, all of the children at the home were praying and interceding for Eliseo, they were not going to stop until God healed him. All 125 voices cried out to God for over an hour, asking for a complete recovery for Eliseo. God listened to their desperate cries, and Eliseo woke up without any brain damage.

When Eliseo woke up the nurse ran to Papá and Mamá, yelling with joy, "Come and see! He woke up!" Papá started asking him

questions, "Who am I? Who are you?" What joy Papá had, when Eliseo answered all of the questions correctly. His entire body functioned and responded properly, several days later it was confirmed by an EEG that the incident had caused absolutely zero brain damage. Praise be to God!

Lirio challenges you to seek God with all of your heart, Jeremiah 33: 3 says "Call on to Me and I will answer thee, and show you great and mighty things, which thou knowest not." We are challenging you to make prayer a priority, it saved Eliseo! Join us!
